

Morag Freathy, CEO, Business & Industry

After returning to the business in 2017 following some time working for a leading high street brand Morag now heads up the B&I division at Compass, responsible for Eurest and 14Forty - Compass's specialist workplace catering businesses.

With a deep passion for both food and people Morag is perfectly placed as CEO for B&I. In addition to heading up Eurest from 2017 to 2019, Morag has previously worked for a number of top brands on the High Street.

As a keen adventure seeker Morag loves to cycle on her tandem bike with her husband and has completed The Etape du Dales cycling tour, covering 112 miles and a whopping 11,000 feet of climbing. As well as being able to take in the beautiful views the UK offers her hobby allows her to indulge in her love of food!
